

ESTABLISHMENT OF CHILD HELPDESK AT JARAMA IDPs CAMP DURING 2ND PHASE OF RETURN

The voluntarily return process of Tirah IDPs was consisting of 2 phases. The 1st phase of Return process took place from 15th September 2013 till 5th November 2013 at Jerma Embarkation Point Kohat, New Durrani Camp-Kurram Agency and de embarkation points at Tirrah- Khyber agency.

During the 1st phase FDMA/Political Administration along with Humanitarian organizations timely response to the return process and ensured service availability to all the segments of those IDPs.

Being the Lead in Child Protection, Khyber Pakhtunkhwa Child Protection & Welfare Commission through Child Protection Unit Kohat took initiative and Established Child Help Desk at Jerma Embarkation Point Kohat along with PVDP.

CHILD HELPDESK ACTIVITIES 1st PHASE:

- Identification of issues of children and referring it for services.
- Awareness on different topics on child rights and child protection issues.
- Conduct Focused Group Discussions, Male & Female (FGDs).
- Daily Reporting of FGDs to Provincial Office and further to Provincial Cluster etc
- Awareness and dissemination of MRE material.
- Assisting camp management.
- Total 1790 MRE material disseminates.

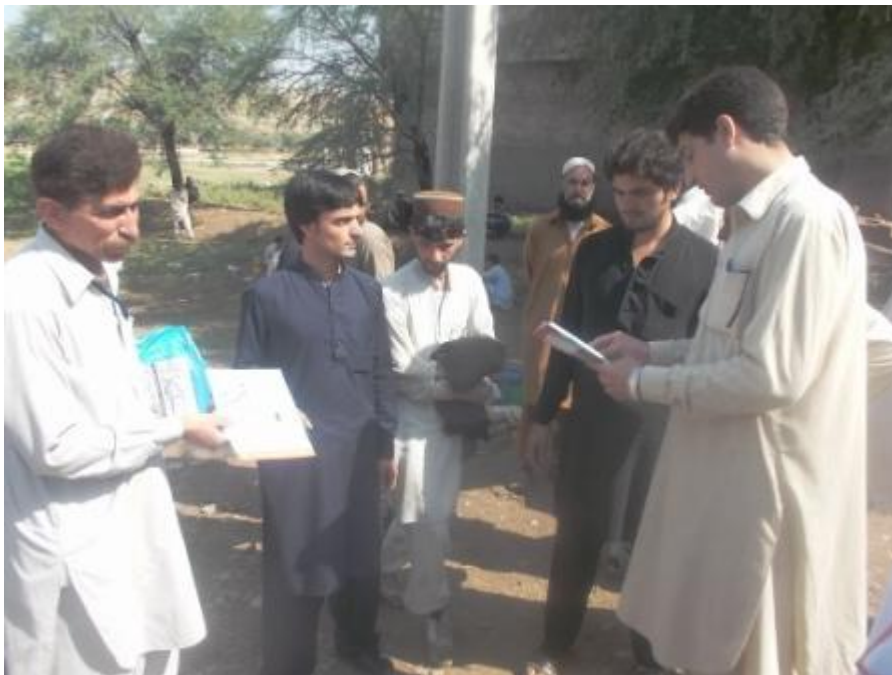

2nd PHASE RETURN (7th May till 8th June 2014)

Establishment of Child Helpdesk:

Child helpdesk was established in order to identify the issues of children and other vulnerable population who are at risk. Children, women older and disable people have specific needs and vulnerabilities in armed conflict or other emergencies. These needs must be addressed more effectively and it was the logic that Children, women, aged and persons with disabilities, affected by armed conflict are considered as vulnerable community and has placed in marginalized category.

Child Protection Unit Kohat along with the collaboration of PVDP and PADO established Child Help Desk at Jerma Embarkation Point Kohat and CPU Kohat as a lead was assigned to compile and share the daily KII/MRE and Awareness reports to Provincial Office and further by ACCP Operations with protection, CP cluster.

CHILD HELPDESK ACTIVITIES 2nd Phase:

- Identification of issues of children and referring it for services.
- Awareness related to child rights and child protection issues.
- Conducting KII of Male & Female (Key Informant Interviews).
- Awareness and dissemination of MRE material.
- Psychosocial Counselling
- Help Line No 1121
- Safety Guidance Sessions during return
- Information and guidance on return process
- Assisting camp management.

- Daily reporting of KII to Provincial Office
